Dear David,

Thank you for your recent generous gift 8 guitars and 2 amplifiers to the Long Beach High School Music Department. Your commitment to support Arts education in our community is greatly appreciated, especially after suffering the impact of Tropical Storm Sandy this year.

Thanks to you, our students will have the materials they need for new and exciting learning experiences in our Music In Our Lives, Guitar I & II, Jazz Band, and IB music classes. We are looking forward to use this new equipment in the coming school year. We, and those we teach, deeply appreciate your generosity.

Sincerely,

Andrew Rossi
