Dear David Jaffin:

On behalf of the Urban Assembly School for the Performing Arts (UASPA), I would like to thank you for your generous donation of the black Pearl drum set and sheet music to equip our instrumental studio. The students have already used the drum set in the classroom to support instrumental music instruction and performances. Your donation to our school community and performing arts department is extremely admirable.

As a young adult, you already have a huge impact on others with your "Give the Gift of Music" project. Thank you for extending the opportunity to our school to participate in your giving project. It is only with the commitment, support, and resources of remarkable individuals like you, that we are able to offer our students the experience and value of the performing arts as a pathway to educational success. Together, we are providing resources, education, and grounding students with the foundation of our school's core values, *I CARE* (*I*ntegrity, *C*ommunity, *A*rtistry, *R*espect and *E*xcellence).

Our goal is to continue to make a difference in the lives of our students as we prepare them for college and their next steps toward fulfilling their dreams. We want all of our students to live our motto: "**Education Equals Options**". We thank you for your generous donation and support to the students of our community. As a result of your donation, we will continue to see improvements in our school community. We ask that you keep the students of our community in mind should you think of any resources and/or opportunities that will help move our mission forward. Again, we sincerely thank you for extending your valuable resources to the children of the Urban Assembly School for the Performing Arts.

Thank you,

Fia Davis
