

Keeping Music Alive In Our Schools

July 12, 2011

David Jaffin
36 Concord Road
Ardsley, NY 10502

Dear David,

You're certainly getting to be a pro at collecting instruments! We truly appreciate your continuing support and all the work you put into getting more instruments for more kids.

On behalf of all of us at the Foundation and the students at Gretna Middle School and Crocker Arts in New Orleans who will benefit, we thank you very much for your gift of four clarinets, two trombones, one french horn, one baritone, two flutes and two violins. Having these instruments will make such a difference to many kids and teachers. You are a true friend to the foundation and to music education.

Sincerely,

Felice Mancini
Executive Director
